Follow Up Report # 1

7-7-16 1600 hours, I created an Officer Safety Bulletin and Lt Barden approved it and it was sent to SPD SWORN.

7-7-16 1800 hours, There was a protest in Seattle about the police shootings. I was working the protest. Canty was at the protest wearing a Black baseball cap, dark jacket, red t-shirt, gray sweat bottoms and holding a brown box. He was videotaping officers. During the protest he told SPD officers that in the box were 30 round extended magazines and he was going to buy a Glock 19. *NOT True Proven*

7-8-16 0940 hours, I coordinated with USMS Fleck if Canty comes in to the US Courthouse.

7-8-16 1000 hours, I received an email from Sgt Fiorini that he actually came into OPA on Tuesday 7-5-16 and then called her on 7-6-16.

7-8-16 1032 hours, I contacted Sgt Pisconski, CIT. He stated that he Ofc Chan and MHP Andriginis are going to local shelters to see if they can obtain more information about Canty. Sgt Pisconski stated that Canty was assaulted a week ago by a female, 16-223269. In the remarks of the report he lists 1700-7th Ave. Suite 116, unit 365. A search reveals that is a UPS store by the US Courthouse.

7-8-16 1055 hours, Ofc Torres called Work Cell 206-492-9710. He stated that Canty came into the City Attorney's office on the 27th wanted to talk to Pete Holmes and was intimidating the receptionist. A case was written 16-230940.

7-8-16 1105 hours, I contacted USMS Fleck and provided him the time Canty was in front of the courthouse for the protest last night. He then sent me photos of Canty at the US Courthouse. USMS Fleck stated that they are going to review seeking charges for having weapons on the courthouse property since he admitted having ammo magazines in his box and that he was going to buy a Glock 19 next. In Violation of CFR- 41 CFR 102-74.440 Weapons. Weapons (41 CFR 102-74.440). Federal law prohibits the possession of firearms or other dangerous weapons in Federal facilities and Federal court facilities by all persons not specifically authorized by Title 18, United States Code, Section 930. Violators will be subject to fine and/or imprisonment for periods up to five (5) years. In addition, a court order also prevents persons from bringing or bearing any firearm or other dangerous weapon into the U.S. courthouse. The courthouse also includes the property adjacent and underneath.

7-8-16 1120 hours, I contacted Doug Larm, WSFC, requested they send the bulletin out on Canty to obtain any information. In an article Canty was in, he states "several outstanding charges in multiple states for things including jaywalking, issuing threats, disorderly conduct and resisting arrest."

Canty does have warrants, but they will not extradite.

7-8-16 1450 hours, I received information from FBI supervisor Carolyn Woodbury. Canty has gone into numerous FBI offices to include the Seattle FBI office.

YES because I have official business

7-8-16 1500 hours, US Marshal's Supervisor Fleck stated that Canty stating he had gun magazines in his box on the US Courthouse property will not warrant Federal Charges.

Proof NEVER said it!!

7-8-16 1535 hours, A/Lt Allen, A/Sgt James and I conference call Sgt Pisconski. I provided the known facts and that we had enough for an emergent detention to protect Canty from himself and others. Sgt Pisconski agreed with that assessment.

7-8-16 1600 hours, I was told to contact the receptionist at the Seattle Police Chiefs office in regards to Canty calling. I talked with Jill Paderes, Admin. She stated that he called from a blocked number, but he identified himself as Kyle Canty. She talked to him at least 3 times. 1st call he stated that he wanted to talk to the Chief about police brutality and said if police officers come toward me I will shoot them. People are getting tired and that is why officers are getting shot. 2nd call- he said he was going to record the call and she hung up. 3rd call-He was going to release something to the media. He was transferred to Brenda Gilmore, Sr. Executive Assistant to the Chief. Gilmore stated that Canty talked about his videos on You Tube, officers have violated him, if they come towards him he is going to shoot them and defend himself. He called 5 more times. He called 3 times while I was there and would hang up. ?

7-8-16 1628 hours, I received a 2015 bulletin from the Monroe Crime Analysis Center, New York which was an officer safety bulletin on Canty. It listed several contacts with Canty. One report 09-400792 stated "Canty showed pistol permits for the state of Arizona and stated he still has access to guns". 07-328739 Canty was wearing a bullet proof vest when he entered Rochester New York Police department. ?

7-8-16 1748 hours, I contacted DMHP Gail Bonicalzi, TP#263-9202. I explained to her the behavior that Canty was displaying and that we were going to do an emergent detention on him. *King County*

7-8-16 1800 hours, I was told to contact KOMO news, TP#206-404-4145, because Canty had threatened them. ?

7-8-16 1805 hours, I reviewed SPD report 16-219276 where Canty resigned at Office Max and then called the corporate office and stated "that is how people get shot". I called the Loss Prevention office on the report, Logan Brown, 425-891-9441. He stated that the report was informational only. I requested a TP#, but he did not have one. I asked him if Canty ever had a gun while working at Office Max and he said he did not know. ?

Culbertson believed based on his training, knowledge and experience that he meant that "Throwing bullets" meant shooting. S/Canty then told the officer "you going to sit in your car and talk shit" and told him to get out of his car to see what would happen. Ofc Culbertson believed S/Canty was attempting to antagonize and bait Ofc Culbertson into getting out of the car. Ofc Culbertson believed that if he would have gotten out of the car he may have been assaulted by S/Canty. Ofc Culbertson believes S/Canty's behavior was shocking and that he wanted to fight him or other officers. S/Canty stated again that he would assault officers if they tried to put hands on him. S/Canty continued to try and get Ofc Culbertson to get out of his vehicle and Ofc Culbertson refused. Ofc Culbertson stated that he did not turn on his ICV because he was hyper focused on S/Canty's threatening words and making sure that Canty did not reach for a gun. Ofc Culbertson then left the area for another call. Ofc Culbertson completed an SPD report on the incident and requested a Hazard was posted in the NCIC database to alert other officers of the words and actions of S/Canty and that he may assault or shoot them. Ofc Culbertson believed he had probable cause to arrest S/Canty at the time of the incident, but did not arrest him due to officer safety considerations. Ofc Culbertson stated that he "legitimately believes S/Canty could be the next Christopher Monfort" and could kill an officer.

7-13-16 1129 hours, I sent the statement I took from Ofc Culbertson so he could review it.

7-13-16 1220 hours, Levi Desrosier, ATF called and stated that if Canty tried to buy a firearm he would be denied because he has outstanding arrest warrants in New York and Arizona.

7-13-16 1320 hours, I provided Documents to the King County Prosecutors office for Felony Charges of Harassment against Canty.

7-13-16 1343 hours, I was notified by Stephen A. Herschokowitz, Senior DPA, KCPAU that the Felony Harassment case against Canty was rush filed, State V. Kyle Canty (16-1-04902-4) and they are asking for a \$50,000 warrant.

7-13-16 1435 hours, I picked up the warrant and walked it to SPD Data and it was entered into the NCIC system.

7-13-16 1520 hours, I coordinated with CIT that I have a warrant for S/Canty and I will be booking him into KCJ. I requested assistance in coordination with the Mental Health side in this matter.

Follow Up Report # 1

Division, Admin received a call today about 1230 hours. He stated his name was Kyle Canty. He was upset and stated he would shoot SPD officers if he doesn't get what he wants. He then called back and left a voice mail for Michael Diaz, TP#553-4358. Fleck forwarded me the voicemail and the email that Cirineo sent to her boss describing the call she had with Canty. I listened to the call. There were no threats. *← Not Credible*

7-7-16 1400 hours, I conducted Law Enforcement checks for Canty. He has no DOL photo, No booking photo at KCJ, LINX-the latest report was 1-9-15, 15-9025, Disturbance. There is no vehicle or cell phone associated with Canty. NCIC revealed a hazard for threatening officers and 2 contacts with SPD officers on 7-2-16 and 7-5-16.

7-7-16 1600 hours, I created an Officer Safety Bulletin and Lt Barden approved it and it was sent to SPD SWORN.

7-7-16 1800 hours, There was a protest in Seattle about the police shootings. I was working the protest. Canty was at the protest wearing a Black baseball cap, dark jacket, red t-shirt, gray sweat bottoms and holding a brown box. He was videotaping officers. During the protest he told SPD officers that in the box were 30 round extended magazines and he was going to buy a Glock 19. *← Not true. Where is it?*

7-8-16 0940 hours, I coordinated with USMS Fleck if Canty comes in to the US Courthouse.

7-8-16 1000 hours, I received an email from Sgt Fiorini that he actually came into OPA on Tuesday 7-5-16 and then called her on 7-6-16. *?*

7-8-16 1032 hours, I contacted Sgt Pisconski, CIT. He stated that he Ofc Chan and MHP Andriginis are going to local shelters to see if they can obtain more information about Canty. Sgt Pisconski stated that Canty was assaulted a week ago by a female, 16-223269. In the remarks of the report he lists 1700-7th Ave. Suite 116, unit 365. A search reveals that is a UPS store by the US Courthouse.

7-8-16 1055 hours, Ofc Torres called Work Cell 206-492-9710. He stated that Canty came into the City Attorney's office on the 27th wanted to talk to Pete Holmes and was intimidating the receptionist. A case was written 16-230940. *why?*

7-8-16 1105 hours, I contacted USMS Fleck and provided him the time Canty was in front of the courthouse for the protest last night. He then sent me photos of Canty at the US Courthouse. USMS Fleck stated that they are going to review seeking charges for having weapons on the courthouse property since he admitted having ammo magazines in his box and that he was going to buy a Glock 19 next. In Violation of CFR- 41 CFR 102-74.440 Weapons. Weapons (41 CFR 102-74.440). clear HMC bag which had the sealed gray envelope, brown box and personal items. I then separated the Brown box from the other items and placed it into a brown bag because I was going to turn it in as "evidence". I placed the clear HMC bag and contents into a brown bag as it was going to be for safekeeping as well as the black backpack. I entered the items into the electronic system for evidence at 1946 hours.

7-13-16 2025 hours, I placed all items with appropriate evidence tags and markings in locker #18. I secured the locker and made sure it could not be opened. I put safekeeping tags on the backpack and brown bag containing the HMC bag and contents. I took the owner portion of the tag with me to drop off at KCJ to put in S/Canty's property so he knows where he can get his items when released from KCJ.

7-14-16 1200 hours, prepared Rush File packet for King County Prosecutors Office.

I called the Loss Prevention office on the report, Logan Brown, 425-891-9441. He stated that the report was informational only. I requested a TP#, but he did not have one. I asked him if Canty ever had a gun while working at Office Max and he said he did not know. P

argumentative and defensive. Pt states he is here "Because the cops lied. They said I made threats that they can't prove". Pt initially declined to provide any information beyond this statement and then responded, providing only paucity of information. Pt denies SI / HI / AH / VH / access to a firearm.

SW reengaged with pt during which time he explained that he is fearful of all law enforcement in the United States including the FBI and the courts based on personal hx of arrests for misdemeanors like trespassing and resisting arrest as well as the documented black experience in America. Pt states this is why he has sought asylum in Canada where he believes he is safe from police harassment. Pt states he has traveled all over the United States video taping encounters with law enforcement for the purpose of instigating lawsuits. Pt states he has published papers and videos documenting mistreatment by police going back a number of years. Pt states he has never been charged with a felony which would prevent him from being sold a gun. However, he believes SPD would like him to be diagnosed with a mental illness which would then prevent him from acquiring a firearm. Pt began by stating he has taken law classes and has knowledge of the law and by the end of the conversation was referring to himself as "the lawyer". Pt admitted there are hats vs. extended ammunition magazines in the box he was carrying and states he never told police there were magazines in the box. Pt denied making threats via phone to the US Attorney's Office or the Office of the Chief of Police.
